

Riverside Woman's Club Program/Project List 2018-2020

Arts Community Service Program

The GFWC Arts Community Service Program encourages members to promote and support arts activities in their clubs, schools, and communities. It is designed to inspire clubwomen. As Pablo Picasso once said, "Every child is an artist, the problem is how to remain an artist once he grows up." The goal is to create programs and projects that include music, literature, dance, drama, theatre, and other arts-related areas, both traditional and innovative.

RWC Projects;

Riverside Art's Council

Riverside Community Players

Theater Groups (Women's Theatre Workshop, etc.)

Conservation Community Service Program

The GFWC Conservation Community Service Program encourages awareness of our natural resources and caring for the world around us. It offers information and ideas to promote environmental appreciation and protection. Work to preserve, maintain, and restore our natural resources; protect habitats for plants and animals; and develop sustainable habits. Environmental education; care for our air, land, and water; recycling; litter cleanup; partnerships with community groups, schools, and children; support of wildlife; energy conservation; tree planting; and beautification - this is what the Conservation Community Service Program is all about. Work to become more aware of conservation issues, enrich your communities, and become stewards of the environment. Enjoy the great outdoors!

International Outreach Community Service Program

GFWC encourages our clubs to reach beyond their own communities to the global community to make a lasting difference in the lives of children, their families, and communities. The GFWC International Outreach Community Service Program is designed to enable members to become better world citizens through advocacy, education, and action, which will, in turn, affect change in and for our global friends and their communities. In most cases, GFWC members cannot be physically present to assist and make changes in countries around the world; however, members can be assured the donations made through our partnership agencies are reaching those in the greatest need. There are countless ways to support global development and make a lasting difference.
